

Mission:

The FMCCS engages community support to inspire learning, enrich teaching, and enhance educational opportunities for all MCCSC students.

Generous gifts from our donors supported programs and projects totaling \$159,830 in our schools and classrooms. Together we are transforming the lives of 10,900 students.

FMCCS Grants to Equip, Inspire, & Innovate

26 grant projects totaling \$31,046 were awarded to educators and students.

Literacy Programs and Projects

\$72,180 to support literacy instruction. Projects include: Real Men Read, Intervention resources at all grade levels, Summer Immersive Reading at Arlington Elementary, and Professional Development.

STEM Projects

\$55,970 to STEM enrichment including Project Pavegen, Project Lead the Way at JCMS, Anatomy Labs at BHSN & BHSS.

MCCSC Libraries

1,300 books were added to the shelves of our school libraries to support curriculum and high interest reading materials.

Scholarships & Awards

39 students received scholarships and awards totaling \$11,050.
22 upperclassmen received Personal Achievement Awards.
3 middle school students received the Show Us Your Smile orthodontic award.

Thank you for your investment in our children!
