MCCSC and FMCCS will host our first annual GEMS conference! This is a conference girls in grades 5th and 6th in Monroe County. Our goal is to educate girls about careers in technology, engineering, math, and science, and introduce them to female role models in STEM industry and education.

The conference includes:

- Career Expo from 8 am to 9 am (female exhibitors please)
- Hands-on STEM sessions lead by female role models in STEM careers
- Closing and raffle

We need your help to build this engaging day of STEM. Please let us know how you would like to help.

YES we would like to exhibit at the Career Expo - set up will begin at 7:30 am.
