# Educating All Students!

**Gratitude Report**  
2021 - 2022

## Educating for Our Future!

The 2021-2022 school year was a time to celebrate and to catch up. In the fall we celebrated as most MCCSC students returned to in-person learning. It was great to have our classrooms filled with students eager to reconnect and learn!

Despite the high-quality, online instruction our teachers provided during the pandemic we knew it would not be a replacement for in-person learning. Children missed out on valuable learning time which led to delays in academic growth for many. Learning losses impacted every demographic of MCCSC student, regardless of age, ethnicity, income, and ability.

The Foundation responded by providing intervention resources, programs, and professional development to help our faculty catch students up to pre-pandemic levels of educational achievement. Traditional programs including Food Assistance, GEMS, Real Men Read, Teacher Grants, and Student Scholarships provided critical funding for all students and schools.

We celebrate the generosity of loyal and new donors! As you turn the pages of our annual report, you will see how your gifts are enriching the educational needs for our students and shaping their future.

As always, we are deeply grateful for the support of our community. Gifts from individuals, businesses, and foundations help keep our students learning.

Thank you for making a difference!

# Grants

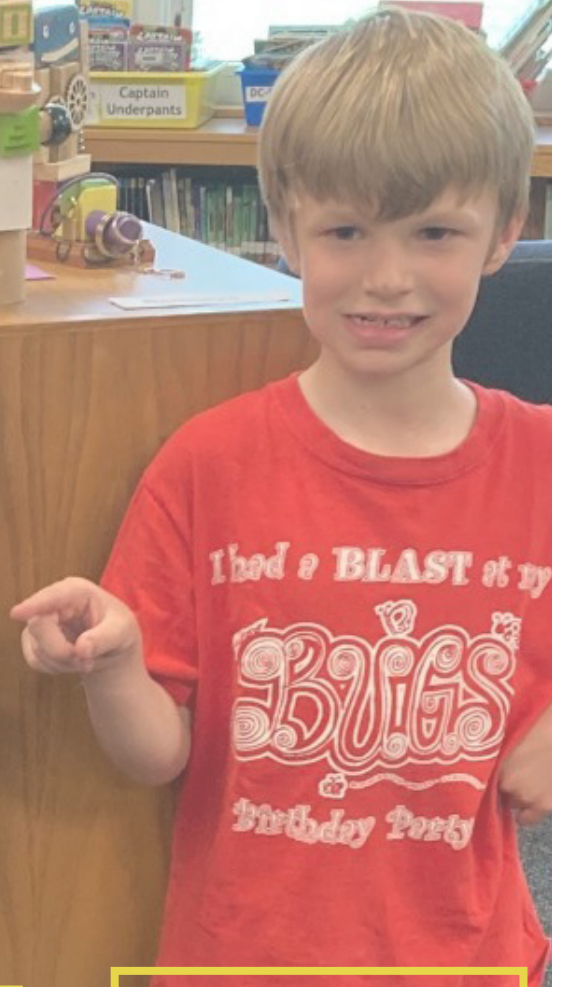

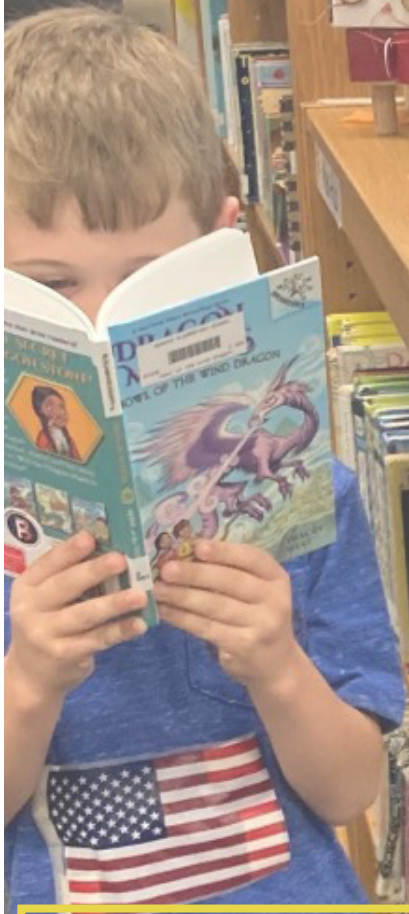

This year we awarded:

- \$49,000 to 45 Teacher Grants
- \$20,500 in Sponsor A Student awarded across all schools

We believe that investing in our teachers and students is a critical part of providing a high quality education. The Grants to Equip, Inspire, and Innovate program provides resources and educational experiences that enrich teaching and inspire learning. Your gifts are giving students opportunities to read, write, think, and succeed.

# Endowments -

Three new endowments were created this year. Endowments are powerful financial assets that provide annual impact and help sustain long-term educational growth. We are grateful for these gifts and the educational impact they will provide to current and future students.

**Hutton Global Grants.** Deborah Hutton is a long-time friend and supporter to the Foundation. Deb is the former assistant director of the Indiana University's (IU) Center for the Study of Global Change. This endowment combines her body of work and passions for global outreach and K-12 education to create a program that will help prepare students to interact and succeed in a globally interconnected and culturally diverse world. The Hutton Global Grants will enrich classroom curriculum across content areas to reflect a global perspective and to address global issues, ethics, and international/cultural diversity.

**In Memoriam**  
1970-2020

**Jason Lorne Kennedy Memorial Scholarship.** Jason was a 1988 graduate of Bloomington High School South where he ran cross country and track and was a senior class officer. He graduated from Indiana University in 1992 and went on to law school at Indiana University Bloomington and earned his Juris Doctorate in 1996. After completion of his studies he went to Chicago to practice law. He enjoyed his firm, the partners, associates, and support personnel and he truly enjoyed the practice of law. Friends and family have generously endowed

the Jason Lorne Kennedy Memorial Scholarship. The annual scholarship will be awarded to a member of the BHSS cross country team on the basis of scholarship, leadership, and commitment to the cross-country team.

**Ida Medlyn Memorial Scholarship.** Ms. Medlyn was a long-time counselor at Bloomington High School South. "She just had the most outgoing personality that you would ever come across in a person," said Eric May, a long-time friend and colleague at BHSS. "All the kids were her friend. Any place she went in the school, she was just happy-go-lucky all the time."

Ida designated funds to the Foundation in her estate plan. Her gift created the Ida Medlyn Memorial Scholarship. Her legacy and passion for helping students will continue each year.

Endowments are a great way to share your passion with student and can create extraordinary results. Gifts can be made during your life-time and/or adding FMCCS to your will or retirement plan. If you would like more information please contact Cyrilla Helm.
