EDUCATING ALL STUDENTS!

GRATITUDE REPORT

2022-2023

Meeting Educational Needs!

As I reflect back on the 2022-2023 school year I am truly amazed at the generosity of our community and the success of our students.

We kicked off the school year with an unprecedented fundraising campaign. This school year marked the 50th Anniversary of Bloomington High School North and I had the honor to work alongside a student group lead by Luis Brown to raise an endowment for BHSN. Working with this remarkable young man and other BHSN students reaffirmed to me that philanthropy, passion, and hard work does change lives.

In February we had the opportunity to participate in the 100 Cooks Who Care event. I am grateful to Old National Bank for inviting us as a charity recipient. The event greatly increased our general fundraising to support the educator grant program.

The year wasn't just about fundraising. We supported our traditional programs including, Food Assistance, Girls in Engineering, Math & Science, Real Men Read, Teacher Grants, Student Scholarships and Personal Achievement Awards.

I invite you to turn the pages of our annual report, and see how your gifts are supporting the educational needs of our teachers and students.

As always, I am deeply grateful for the support of our community. Gifts from individuals, businesses, and foundations help ensure our students will succeed.

Thank you for making a difference!

New Endowments

Three new endowments were created this year. Endowments are powerful financial assets that provide annual impact and help sustain long-term educational growth. We are grateful for these gifts and the educational impact they will provide to current and future students.

It's Great to be a Cougar

Bloomington High School North Endowment. This year marked the 50th anniversary of BHSN opening its doors in the fall of 1972. For 50 years, BHSN has served thousands of students and is one of Indiana's top performing high schools.

To celebrate, BHSN alumni and friends united to build an endowment. Their gifts will provide a consistent and permanent funding source for BHSN. Every year the funds will enrich learning and support programs that help BHSN students thrive.

Special thanks to our generous Cougar Leadership Donors!

Dr. Jeannine ("Doc") Butler Memorial Award. Doc was a long-time public educator who began her teaching and coaching career in MCCSC at University High School. She moved to Bloomington High School North the year that it opened in 1972. There she served as Dean of Students, becoming one of MCCSC's first female administrators and high school volleyball, basketball, and track coach.

She touched hundreds of lives as Dean of Students and was loved by many, including those who experienced her tough, stern yet fair discipline. She was a champion for students who faced unique challenges in life and strongly believed in creating inclusionary schools where all students belonged. She wore the maroon and gold proudly as Bloomington North was always in her heart.

Mental Health / SEL Endowment. This fund was created to help support the mental health needs of MCCSC students and faculty. Post pandemic there is a large need in our school community to support mental health. The goal is to grow this endowment to better support this need.

Endowments are a great way to share your passion with students and can create extraordinary results. Gifts can be made during your life-time and/or adding FMCCS to your will or retirement plan. If you would like more information please contact Cyrilla Helm.
